JUN 23 1993

Before The

FEDERAL COMMUNICATIONS COMMISSION

Washington, D.C. 20554

ORIGINAL

In The Matter Of:
Amendment of Section 73.202(b),
Table of Allotments,
FM Broadcast Stations
(Rushford, Minnesota)

MM Docket No. 93-98
RM 8207

JUN 23 1993

To: Chief, Allocations Branch

REPLY COMMENTS OF WHEELER BROADCASTING OF MINNESOTA, INC.

Wheeler Broadcasting of MN., Inc. ("Wheeler"), by its Chairman, hereby submits these reply comments regarding the above-captioned rule making proceeding seeking to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations in the following manner:

City:	EXISTING:	PROPOSED:
Rushford, Minnesota	257A	257C3

Wheeler, licensee of Station KWNO(FM), Rushford, Minnesota filed a petition for Rule Making seeking substitution of Channel 257C3 for Channel 257A at Rushford, and the modification of the KWNO(FM) Station License to specify operation on Channel 257C3.

A Notice of Proposed Rule Making, a result of the Wheeler Petition, was adopted by the Commission March, 26, 1993 and released April 20, 1993 (MM Docket No. 93-98).

In Comments filed with the Commission June 8, 1993, Wheeler re-affirmed all statements set forth in its Petition For Rule Making dated March 18th, 1993 and stated its continuing interest in the petitioned allotment.

Wheeler Comments stated: "Wheeler Broadcasting Of MN., Inc., licensee of KWNO(FM) at Rushford, Minnesota, re-affirms its desire and willingness to immediately apply for the upgraded channel if it is allotted, and if authorized by the Commission, it is our intent to promptly build the new facility."

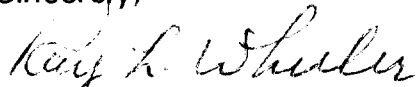

As of June 23rd, 1993 Wheeler has not been served with any other Comments in the above captioned proceeding and believes only its comments were received by the Commission.

Wheeler, by these Reply Comments, requests the Commission go forward and effect the petitioned substitution of Channel 257C3 for Channel 257A at Rushford, Minnesota, and the modification of the License of Station KWNO(FM) to specify operation on the higher powered channel. If the upgraded channel is allotted it is our intent to immediately apply for a construction permit to build and operate the new facility.

Wheeler respectfully requests the Commission expedite action on MM Docket No. 93-98 so station KWNO(FM) can greatly expand its first local service to Rushford, Minnesota and the surrounding area.

Please accept this affidavit as my personal certification that the statements contained herein were prepared by me, Ray L. Wheeler, Chairman of Wheeler Broadcasting of Minnesota, Inc., and are true and accurate to the best of my knowledge.

Sincerely,

Ray L. Wheeler, Chairman
Wheeler Broadcasting of Mn., Inc.
